

Golf Course Guidance

1. Face coverings are mandatory inside all facilities for those who are not vaccinated.
2. The hitting net will be open but only 2 at a time allowed on the hitting pad.
3. The flagsticks shall not be removed or touched during the round.
4. Water coolers and ball washers will not be available on the course (we provide each cart with 2 water bottles)
5. Only 4 customers (non-employee) allowed inside the golf shop.
6. Only 2 allowed at a time inside the restroom facilities, restrooms on the course will be available.
7. Facilities may take additional measures to ensure employees and customers safety. Rules to be Posted for All Golfers.
8. Coyote Moon bar and grill will be open inside with limited indoor seating and takeout options. Also, the outdoor patio is fully open.
9. The turn window will be open for golfers (there is a call box on hole 8 to place your order)
10. Golf cart sharing is encouraged if you are in the same household or arrive at the course in the same car. Additional fees may apply if you request your own golf cart.

These are guidelines from Nevada County Public Health. Please note if these guidelines are not followed you will be asked to leave and the course may be shut down for the 2021 season.
